

Classroom Progressions

Please remember the classroom progressions that we've designed to foster ongoing relationships:

	18-24	2	3	4 (or 5, based on kindergarten readiness)
Children and teachers stay together in Rainbow or Snowflake. After that, children move to Green, Blue or Gold.		Rainbow Snowflake		Blue, Green or Gold
Children and teachers move together from Yellow to Red. After that, children move to Green, Blue or Gold.		Yellow 2's →	Red	Blue, Green or Gold
Children and teachers move together through the rooms.		Cloud →	White →	Gold
Children and teachers move together from Silver to Orange before entering one of two multiage rooms for two years.	Silver →	Orange: mid 2's	Sunshine OR Copper (based on the recommendation of the Orange Room teachers)	
Any 3- or 4-year old child may request to join a Spanish bilingual, multi-age classroom.			Purple	

We value the relationships that are built between children, families and the classroom teachers. Because we respect these relationships, we try our best to keep the teaching teams the same. However, the continuity of the teaching teams cannot always be guaranteed due to the needs of the school and the faculty. Should there be any changes in the teaching teams, parents will be notified as soon as possible after the changes have been communicated to the faculty.
